

September 2023

Dear Parents/Guardians,

The Western Québec School Board encourages you to use the online banking for payment of school fees and daycare fees for the 2023-2024 school year.

School fees and daycare invoices will be available on the parent portal.

We are listed as *Western Quebec School Board – School and Daycare* or *WQSB – School and Daycare* or *Western Quebec School Board – S & D* depending on the bank you use (or a close variation of...)

Once you have created us as a payee, you will enter your personal online banking file number found on your invoice.

Note that each parent and student have a distinct payment number.

It is imperative that the file number used belongs to the parent making the payment. If the wrong file number is entered (between Mom/Dad), no reversal can be made and in the case of daycare payments the tax slip will be issued to the payer whose file number was used. The same will apply to any reimbursements that may be required.

Always verify your file number before making a payment as this number will change if your child changes schools.

School fees invoices, daycare invoices and school taxes invoices all have different payment numbers.

SCHOOL FEES – Online Banking File Numbers are 19 digits long				
Example: 86ES0000000000000000

These numbers will be personal to you and your child
